BEVERAGES

SUBSIDISED DRINKS TAB

Looking to treat your guests, but don't want the tab to disappear too quickly? We can set up a subsidised drinks account for you, where your guests pay a set amount per drink, and the balance is paid by you. We just need to know which drinks you'd like to have available, and how much you're contributing.

BAR TAB ON CONSUMPTION

A bar tab can be arranged for your function with a specified limit or amount in mind that you feel comfortable with spending. Your bar tab can be reviewed as your function progresses and increased if required. However, we will always ensure you are in control of the amount throughout the event.

CASH BAR

Allow your guests to choose from our extensive beverage selection, which they can purchase throughout your function.
